**Refined styling delivers pure sound performance.**

The domed ear cups of the MANHATTAN® Elite Headset feature well-padded cushions to help buffer unpleasant sounds from the ear and enhance bass response. The single stainless steel outer headband and inner sling provide a comfortable fit for long listening almost anywhere. An integrated microphone with gooseneck boom is ideal for instant messaging, VoIP communications and multimedia experiences. The foam microphone cover helps reduce "pop" and distortion for clear voice transmission. An in-line rotary control provides fingertip convenience for quick volume adjustments. The durable nylon mesh jacket helps protect the cable from damage and wear.

## **Lifetime Warranty**

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.
